

About

Biography

ITAMAR is a London-based indie pop act which has drawn comparisons with Morrissey, Jarvis Cocker and David Bowie.

The band has received praise by radio presenters and critics alike.

They have been played on more than 50 radio stations across the UK, including BBC 6 Music, Kerrang! Radio, Amazing Radio, BRMB and more.

The band played UK festivals with bands such as The Cribs, The Charlatans, Lightning Seeds and The Magic Numbers.

They also supported Suede in their last tour.

After a successful pledge campaign via Pledgemusic, the band recorded their debut album.

The album is called Reason To Deny and will be released in February 2014.
