Biography

Mucky Pups are an Indie/Powerpop four-piece, based in London.

The band draw upon distinctly British influences; dicing The Kinks and The Jam with Buzzcocks and The Libertines, they spin their very own melodic tales bristling with an energy that sounds a chorus to the everyday.

Description

"This is the best thing I've heard in a long long time" (Chris Hawkins, 6Music)

"This foursome have a bright future before them" (Camden New Journal)

"An intensity and pace akin to New Yorkers The Strokes, the catchy melodies of 'Little White Lies' strike just the right chord with the audience" (This Feeling)

"Their music is full of strong, punchy melodies and the crowd gets immediately hooked... undeniably one of the most exciting new artists around" (Glasswerk.co.uk)

"Charming indie riffs, attracting a toe-tapping audience". (Fashion Music Style Magazine)
