

GUITARIST/VOCALIST : suitable for weddings, parties, corporate events and more...

Sam Lewis

Singer and guitarist based in the South East. Available as a solo act or with a band for weddings, parties, corporate functions and more...

The Sam Lewis Band

Available as a 3/4/5 piece band to suit all budgets.

I am available to perform at your function. If you like my voice and would prefer a band, I can arrange that to. I provide excellent value for money and a thoroughly entertaining evening playing live for up to 3 hours. Please see the testimonials below.

In addition to the live music, I can provide a disco to keep you and your guests entertained also saving the hassle and cost of booking a separate DJ. Background music will of course be provided as standard throughout the evening. Please take a listen to the audio and/or watch the videos to see that you won't be disappointed.

A solo act is a great alternative to a band, especially if you are working on a tight budget. My experience varies from private parties to the O2 Arena. Please get in touch if you'd like to see me perform in advance or simply contact me via the contact page to enquire about a booking.

Dear Sam, I can't thank you enough for the fabulous show you put on for us on Saturday. The atmosphere you created and the momentum with which you performed all evening was awesome. Everyone felt the same and I don't think the evening would have been quite so brilliant if we hadn't had you and your talent. I hope you weren't too tired, I was conscious that you did all the setting up/and packing away as well as performing for hours. Thank you so very much. I will forward to you a couple of pictures, once my friend sends them, I had a quick look and thought they may be of use.

Hi Sam, I just wanted to say a big thank you for helping to make my 40th so special - you were absolutely brilliant! You also gained a fair few female admirers too (occupational hazard I guess). I wouldn't hesitate to recommend you

"I wanted to express my gratitude and thanks for the hard work that you put in to making our day so special. Both Jo and I had an amazing time and an amazing day. The music side of things was just perfect. We really wanted to have people dancing the whole time and between you and the DJ you brought, you had people partying perfectly."

"Thank you so much for taking part in my 50th birthday celebrations – you lived up to all my expectations and more. Your swing set was amazing, followed by some really great songs

including my all time favorite 'wherever you will go'. I totally loved it and it made the evening so so special. Thank you for learning it especially for me. As you know I have always loved your singing and guitar playing but tonight you excelled. Everyone loved your performance . You are a true professional and fantastic musician. I can't wait to hear you play again soon. In fact I will follow you wherever you go!"
